

RETENTION THROUGH RECOGNITION™ PLATFORM

Give great nurses more reasons to stay.

Knownn helps healthcare leaders automate and centralize recognition across every team - from onboarding and birthdays to certifications and patient safety wins. When nurses feel unseen, burnout grows and patient safety can suffer. Recognize consistently, save leaders time and give great nurses more reasons to stay.

What your 90-day trial includes

01

Start where it matters

Launch across your hospital or begin with one department.

02

Automate moments that matter

Recognize birthdays, work anniversaries, onboarding, patient safety goals and certifications earned.

03

Make every gift personal

Choose the gift yourself or let each staff member pick what they want - never one-size-fits-all.

04

Centralize recognition

One platform ensures consistency across teams while reducing manual work.

Ready to see what 90 days can change?

Bring consistent recognition to the nurses your organization depends on.
